

PAYMENT POLICY

It is our goal at Champlain Valley Orthopedics to ensure that our patients receive high quality care. However, it is also important that all parties are clear of our office payment policy.

We will be happy to bill your insurance. However, if a particular insurance plan has a high deductible, a co-insurance or a co-payment we will expect the amount due at the time of treatment.

If we have not received payment from your insurance company and you believe you are covered, it is your responsibility to contact your insurance company.

We accept cash, check, mastercard or visa. We also have a payment plan called Care Credit, that allows you to start treatment immediately and spread payments over time.

Payment Options

1. Cash or Check
2. Mastercard or Visa
3. Care Credit

Accounts 90 days overdue will be considered delinquent and referred to a collection agency. You agree to pay all costs of collection fees including payments of reasonable attorney fees incurred by Champlain Valley Orthopedics or their assignees.

All charges are your responsibility. If you are experiencing financial difficulties, we ask that you contact us immediately. A partial payment is always better than no payment.
